

Emergency Energy Fund

If you are a Toronto resident and are behind on your electricity or gas bill, you may be eligible to receive an Emergency Energy grant.

The grant is available to low-income residents who:

- Are living in Toronto
- Are within low income guidelines and not in receipt of social assistance*
- Have recently received a "past due" Toronto hydro bill and/or;
- Have received a disconnection notice from utility provider
- Can satisfy other program requirements**

**Social assistance recipients can contact their Ontario Works (OW) or Ontario Disability Support Program (ODSP) office to ask about the Housing Stabilization Fund.*

***Please note that meeting program criteria listed above does not guarantee a grant approval. Additional documentation may be required.*
